Akser Döner- & Fleischfabrikation GmbH

Akser Döner und Fleischfabrikation GmbH is meeting the rising demand for high-value meat products across Europe with the latest technologies and ever more innovations. The family firm, with its headquarters in Duisburg, supplies both small businesses and large clients and counts, thanks to its excellent service and product quality, among the leading kebab producers in Germany.

At Akser Döner, quality and food safety are top priorities. All the raw materials needed for meat production are carefully selected, sourced from reputable European producers, subjected to constant quality controls and are fully halal. The hygiene, production and storage are in accordance with the current EC directives and HACCP (Hazard Analysis Critical Control Point system) requirements, an attitude that guarantees success. Over 30 years' experience in food production and high demands regarding quality and taste have made Akser Döner a strong brand and a successful company across Europe.

Akser Fine Food GmbH & Co. KG

Akser Fine Food GmbH & Co. KG stands for fresh, top-quality, halal, convenience meat products. The origin, quality and hygiene of the products are the basis of the Akser Fine Food success story. The meat for these products is sourced without exception from strictly controlled and sustainable animal husbandry and is processed exclusively in EU-certified abattoirs.

After production, the products are formed and shock-frozen immediately to below -18°C. In this way the shape, consistency and flavour of the products are guaranteed to the point of consumption. The hygiene, production and storage of all Akser Fine Food Products conform to current EU directives and HACCP (Hazard Analysis Critical Control Point system) requirements.

The name, Akser Fine Food, lives up to its promise. The finest quality with the best flavour for perfect enjoyment.

Hamburger Patty

- *pure beef*
- *available in several sizes*
- *packed in 2,5 kg and 5 kg cardboard boxes*
- *deep frozen*

Our classic hamburger patty consists of pure beef. The spices are selected in such a way as not to obscure the natural meat flavour of the hamburger patty. The hamburger patty can be prepared on the grill (charcoal, gas or electric) or also in the pan. The frozen hamburgers can be individually removed and last 6 months.

Doner Sausage

- *veal and chicken*
- *available in several sizes*
- *packed in 2,5 kg und 5 kg cardboard boxes*
- *deep frozen*

Doner meets bratwurst! Our own creation combines the best of two cultures: we have reinterpreted the classic German bratwurst sausage and manufactured it using our own doner meat and spices. Since its introduction at the end of 2012, the Doner Sausage has been a complete success and has found many fans with its typical piquant flavour. The Doner Sausage can be served in a hot-dog bun with special sauce or spicy mustard. The sausage can be prepared on the grill (charcoal, gas or electric) or also in the pan. The Doner Sausage can be individually removed and lasts 6 months in the freezer.
